Hello good evening. Hope you are well.

I'm wondering if you could possibly help me. My name is Denise and i am emailing you today from City Couriers.

City Couriers is a new same day and next day collection and delivery service that operates in the North of England and Scotland.

We offer and provide an affordable pigeon courier service throughout the areas we cover and our prices start from just £35.00 for up to 6 pigeons and then £1.50 per extra bird.

On our pigeon courier website: [www.pigeoncourierservice.co.uk](http://www.pigeoncourierservice.co.uk) we have placed a section which displays a link for 'The SHU, RPRA and NEHU. We were wondering in return if you would be able to add our details to your website to enable Scottish fanciers looking for a courier to find us.
